Shoalhaven Taxi Voucher System

Providing a flexible form of subsidised after hours transport for eligible clients.

What is the Taxi Voucher System?

The aim of the Taxi Voucher System is to provide an additional and flexible form of subsidised after hours transport for eligible clients.

Who is eligible?

Frail aged, people with a disability and their carers who:

- Live in the Shoalhaven Area.
- Are able to get in and out of a taxi with limited assistance.
- Live independently in the community.

Cost

Clients can obtain a maximum of \$50 (10 vouchers valued at \$5 each) worth of vouchers per month with each voucher specifically bar coded to the client. Clients are asked to pay a contribution fee of \$1 for every \$5 voucher they receive (10 vouchers equals \$10 contribution).

How to apply for vouchers?

An eligibility criteria applies for all services including the taxi vouchers. If you wish to apply for the vouchers, contact Shoalhaven Community Transport Service for an assessment on (02) 4423 6044.

How to use the vouchers?

Taxi bookings are to be made directly through the local Taxi provider. You need to ring the local Taxi company and notify them that you will be using Shoalhaven Community Transport Service Taxi Vouchers. The vouchers are not transferable or redeemable for cash and change will not be given. The difference between the voucher and the taxi fare is to be paid by the client.

For example:

- You proceed on a taxi trip which costs \$12. You pay the driver \$2 and use 2 x \$5 Taxi Vouchers.
- If the trip costs \$14 and you choose to give the driver 3 x \$5 Taxi Vouchers, there will be no change given.

These vouchers are only to be used after business hours (after 4.00pm and before 8.00am) weekdays and anytime on weekends and public holidays. Vouchers remain the property of Shoalhaven Community Transport Service and are not to be used with any other taxi subsidy system.

Please Note: Lost or stolen vouchers will not be replaced.

How often can I get vouchers?

Clients can apply to top up vouchers at the end of the month if you have used some or all of your vouchers. Vouchers do not have an expiry date, but we encourage you to use them within a reasonable time frame.
