

# Become a Volunteer!!

## Shoalhaven Community Transport

**Do you have some spare time?  
We are looking for bus drivers, car drivers,  
assistants and administrative helpers.**

Our volunteers assist elderly, disabled and disadvantaged residents with their transportation needs.

Volunteering gives you the opportunity to support your community while meeting new people and socialising with other volunteers throughout the Shoalhaven.

Volunteers are given free training, ID badge and uniform. You will be an important part of our service provision. You are welcome to come and visit our office's in Nowra or Ulladulla or phone us if you are interested in becoming a volunteer!
